

Team Surfing Benefit Event

Sophia Tiar'e Bartlow Scholarship
 Walter Munk Scholarship
 OLAS Foundation Scholarship

March 11, 12 2023

Over the years I have competed in countless surfing contests around the world. I've also been a part of the Rincon Invitational for over 20 years - because it's not a competition. It's all about community and connectivity at one of the world's finest waves - and that is what surfing needs.
 Shaun Tomson, world champion

The Rincon Invitational has nurtured me as a lifelong Surfer and Ocean Steward. What a gift it is to collaborate together as a surfing community by sharing the joy of riding Rincon: blending our surf zone borders and mentoring the next generations of Ocean Scholars.
 Jericho Poppler, women's surfing legend

100% of the net proceeds from the event will fund three scholarships:

Walter Munk Scholarship
 For Oceanography
 and Marine Sciences

In memory of the legendary oceanographer and pioneer in the research into oceanic storms and global swells.

The OLAS Foundation Scholarship is awarded to a student/surfer with an outstanding public service record in Santa Barbara County.

The OLAS Foundation is dedicated to providing youth with Outdoor Leadership, Adventure, and Service opportunities. Founded in 2019 by women's surfing champion Mary Osborne and surfing community leader Karon Pardue.

- **the Sophia Tiar'e Bartlow Memorial Scholarship**, administered by the Scholarship Foundation of Santa Barbara, is awarded to a university-bound student/surfer with an outstanding academic and public service record from Santa Barbara County.
- **The Walter Munk Scholarship** is awarded to students from Southern California with outstanding academic and public service records and planning to attend a university and majoring in oceanography or marine sciences. The Munk Scholarship is administered by the Groundswell Society in memory of the legendary oceanographer and friend of the Society.
- **The OLAS Foundation Scholarship** is awarded to a high school senior with an outstanding public service record from the Santa Barbara area who is planning to attend a university or community college. The OLAS Scholarship is administered by the OLAS Foundation and the Groundswell Society.
